5.1) Sunday: Main Races AM and PM

AM Race: (8:30am – 11:00am) – *There is a maximum capacity limit of 150 riders for this race*

Format:

2 laps within 2.5hrs - Race with several checkpoints on an extreme course.

After 2.5hrs all checkpoints will be closed, and the riders will be ranked by correctly passed checkpoints during that period with a last hill extreme to the podium

Course: Approx. 6/7 Mile extreme course

Starting Procedure:

Top 12 from Saturdays Knockouts will start on front row
The next 12 riders will go on row 2 and so on...
Riders positioned at 49+ will start in rows of 20 from row 5
1 minute between each row.
The start will be ENGINES OFF signaled by red lights off/Siren/Flag

Assistance: Assistance is permitted by marshals / riders only, apart from the last extreme hill to podium – this is a NO HELP ZONE.

Checkpoints: Competitors will pass through multiple checkpoints along the way. All riders are obliged to come to a full stop next to the CP's.
After completing Lap 2 within 2.5hrs, you will proceed to completing a NO HELP ZONE extreme hill climb to the finish podium. You will have an extra 20mins to complete this after 2.5hrs timeframe.

Result: Riders who pass the most checkpoints/laps the fastest within 2.5hrs will be the winner. Riders will be ranked according to the number of checkpoints/laps during this period.
Only checkpoints/laps passed within the 2.5hrs will be counted.

PM Race: (12:00 – 16:00) - *There is a maximum capacity limit of 150 riders for this race*

Format:

4laps within 4hours - Race with several checkpoints on an extreme course.

Lap 1 & 2 – Hard Extreme Course

Lap 3 & 4 – Same lap as 1 & 2 with extra hard extreme hill climb sections that are NO HELP ZONES
After 4hrs all checkpoints will be closed, and the riders will be ranked by correctly passed checkpoints during that period with a last hill extreme to the podium

Course: Approx 6/7 Mile extreme course with some extra extreme sections on lap 3 and 4

Starting Procedure:

Top 12 from Saturdays Knockouts will start on the front row
The next 12 riders will go on row 2 and so on...
Riders positioned at 49+ will start in rows of 20 from row 5
1 minute between each row
The start will be ENGINES OFF signaled by red lights off/Siren/Flag

Assistance: Assistance is permitted from marshals / riders only, apart from the extra extreme sections on lap 3 & 4 which are NO HELP ZONES, Riders with same number board colours can help each other in these sections.

Checkpoints: Competitors will pass through multiple checkpoints along the way. All riders are obliged to come to a full stop next to the CP's.
After completing lap 4 you will proceed to completing an extreme Hill Climb to the finish podium. You will have an extra 20mins to complete this if after 4hrs timeframe.

Result: Riders who pass the most checkpoints/laps the fastest within 4hrs will be the winner. Riders will be ranked according to the number of checkpoints/laps during this period.
Only checkpoints/laps passed within the 4hrs will be counted.
